I just love Scrapbook Super Station's Double Features and Pages Of The Month!

Please sign me up to receive them every month. Here is what I want...

- All Four Double Features with all the goodies so that I don't miss anything!
OR All Four Double Features *without* basics supplies such as plain brads.
 I want the Page of The Month with enough product to make a two page spread!
OR I want a single page for the Page Of The Month.

- Please: I am an out of town customer; please mail my package (will be shipped via Priority US Mail).
 I am an out of town BPC Member; please apply all four coupons to this purchase.
 I am a local customer; please hold my package for pickup.
 I am a local customer, please use two coupons. I will turn in the coupons at when I pick up items.

I understand that Double Feature and Page Of The Month kits fluctuate in price each month (on average \$15 per spread). I agree to pay the amount on my receipt each month, charged to the following credit card number. If I opted for mailing of my product, I further agree to pay the actual shipping costs. I also realize I can drop out of the club at anytime. We aim to mail out packages by the 2nd of the month, but will notify you by email of any delays.
