

How To Facebook

How To Get a **FREE Facebook** Account...Or Link Your Existing Account Now...

Go to www.facebook.com

Fill in your information and click "Sign Up Now"

Enter the Security Check information and click "Sign Up."

A list of possible friends will pop up...this is from information linked to your address book in your email! You can choose to request any of these people to be your friend on Facebook or go to the very bottom of the page and you can click "Skip This Step."

You can add profile information in this next step or again, click "Skip."

You can now upload a picture of yourself or click "Skip."

Click the "Profile" tab on the blue bar across the top of the page.

Under where your picture should appear click the "Edit My Profile" link and add whatever information you want to.

You will now need to go to your email account and look for the email from Facebook and follow the instructions to confirm your account.

Now link **your account Facebook account** to us:

Click on the Search bar in the top right corner and type "Scrapbook Super Station."

You'll see our store pop up.

To the right of our name click "Like."

Enter the security code and click "Submit."

The link you just clicked will now say "You Now Like This Page."

You will now receive email messages in your EMAIL when we send short one sentence updates!

To Get Text Messages To Your Mobile Phone:

If you want to receive these updates to your mobile phone so you never miss a "Tweet Deal," link your phone.

NOTE: It is your responsibility to make sure that your mobile plan includes texting so you will not incur additional charges!!

Now click on our store picture or name and go to our fan page.

Under our picture, click on "Subscribe via SMS" link.

Choose your carrier from the drop down menu and click "Next."

Follow the instructions to text Facebook from your phone.

Your phone will then receive a text from Facebook. Enter the code you receive in the box and click "Confirm."

Now you will receive our short little updates and "Tweet Deals" straight to your mobile phone!
