

SCRAPAGANZA

Trust me, by March you'll have **major** cabin fever! So, join us for our Snowed In Scrapaganza on **March 24th!**

- four fantastic, fun classes
- scrapping until Midnight
- a great lunchtime meal
- goody bags
- prizes for everyone
- sales throughout the day

All of this is just \$60.00. Scrapaganza officially ends around 5:00, but feel free to stay and crop until Midnight. Or, why not make a weekend of it by also signing up for the Midnighter on Friday and the Super Sunday Crop? It's never too late to plan ahead, as Scrapaganza events usually fill up. While we do classes at this event, this is also a crop, so you do need to bring your supplies! Call today to plan your winter escape!
